**Who may file**

Use SC4868 to request an extension of time to file SC1040 Individual Income Tax return for:

- Individual Income taxpayers,
- nonresident shareholders of an S Corporation, or
- nonresident partners of a Partnership or LLC

**How to file**

Save time and paper! Request your extension to file by paying your balance due on our free tax portal, MyDORWAY, at **dor.sc.gov/pay**. Select Individual Income Tax Payment to get started. Your payment on MyDORWAY automatically submits your filing extension request. No additional form or paperwork is required.

If you owe \$15,000 or more in connection with any SCDOR return, you must file and pay electronically according to SC Code Section 12-54-250.

If you pay by check, make your check payable to SCDOR and include your SSN or FEIN and "SC4868" in the memo. **Do not send cash.**

**Mail to: SCDOR, IIT Voucher, PO Box 100123, Columbia, SC 29202**

**When to file**

File this request on or before April 15th, or before the original due date of your fiscal year return. If the due date for filing your return falls on a Saturday, Sunday, or legal holiday, the return is due the next regular working day. This extension allows you an additional **six months** to file your return.

**If you filed a federal extension**

If no Income Tax is due and you have been granted a federal extension of time to file a federal Income Tax return, we will accept a copy of the federal extension. You do not need to send us a copy of the federal form by the due date of the tax return. When you file your return, mark the extension box on the SC1040 to indicate you filed a federal extension.

**Penalty and interest**

This extension allows additional time to file your SC tax return, but not to pay any tax due. You will be charged interest, at the prevailing federal rates, on any unpaid tax. Interest is applied from the original due date of the tax return to the date of payment. In addition to the interest, you will be charged a penalty of 0.5% per month for failure to pay at least 90% of the total tax due by the original due date. The penalty will be imposed on the difference between the amount paid with the extension and the tax to be paid for the period. A Penalty and Interest Calculator is available on MyDORWAY, our free tax portal, at **dor.sc.gov/calculator**.

**This extension cannot be processed without proper Social Security Numbers for individuals or Federal Employer Identification Numbers for S Corporations or Partnerships.**

**Social Security Privacy Act Disclosure**

It is mandatory that you provide your Social Security Number on this tax form if you are an individual taxpayer. 42 U.S.C. 405(c)(2)(C)(i) permits a state to use an individual's Social Security Number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SCDOR must provide identifying numbers, as prescribed, for securing proper identification. Your Social Security Number is used for identification purposes.

**The Family Privacy Protection Act**

Under the Family Privacy Protection Act, the collection of personal information from citizens by the SCDOR is limited to the information necessary for the SCDOR to fulfill its statutory duties. In most instances, once this information is collected by the SCDOR, it is protected by law from public disclosure. In those situations where public disclosure is not prohibited, the Family Privacy Protection Act prevents such information from being used by third parties for commercial solicitation purposes.
